Say NO to drugs, say NO to abuse

In order to be easy for us to follow your presentation's impact, please take into account these aspects during your meetings and fill in the questionnaire. If you have several presentations, please fill it in as many times as the number of your presentations (one file for each event):

Date	2 April 2015
Location	Bilingual Theoretical High School "Miguel de Cervantes" - Bucharest, Romania
Number of people that attended	30
Approximate age of your audience	16
Number of people interested in further details about Erasmus+ and our project	5
Their general impression about your presentation	They were quite interested, especially when I told them about what I've learned and when I showed them pictures from the places we've been to
Their general impression about the project	Some of them seemed entertained by it
Your general impression about your presentation	I think it went great, I had a great flow in my presentation, although I thought they were going to get bored
Your general impression about the project	I loved it so much, I'm looking forward to the next project I'm going to take part in
How many want to receive more information about Erasmus+?	No one asked for more info
How many would like to participate in such projects?	About half of them
How many are interested in spending the free time different than online?	Almost all of them
Do you feel you've improved your presentation skills? Why/How?	I think I did
People involved in this presentation and their role/task	My Romanian language teacher and 29 high school students
Did you find this as a difficult task to fulfill? What were your challenges?	No, because I'm in a debate club and I managed to develop my public-speaking skills and I find this quite easy to do now

Some of the questions will be hard to get an answer to, but you can use yourself a questionnaire and ask them to fill it up for you, you can ask directly or you can guess from your interaction with them during your presentation.
